This old world won't take me home
I said sure for the hell she goes
Well i dont know man, well i dont know man
(I sure know i'm here)

Ooh, say it ain't so
Ooh, say it ain't so
Because i sure love you so

Memories dig in my heels
I dont care girl,
I'll be there girl

So does this mean your truly gone?
Well i don't know man, well i dont know man
(I sure know i'm here)

Ooh, say it ain't so
Ooh, say it ain't so
Because i sure love you so

Ooh, say it ain't so
Ooh, say it ain't so
Because i sure love you so
