"Your Love Is Like Las Vegas"

Don't you know you can re-write
Your own history
Cigarette Barbie
Your love is like a city I've visited
Your love is like a city where I'm born again
Oh, Las Vegas I can only afford one weekend

Don't you know you're like Pete Best?
Bitter after all these years
Just let it go

Your love is like a city I've visited
Your love is like a city where I'm born again
Oh, Las Vegas I can only afford one weekend

Your love is like a city I've visited
Your love is like a city where I'm born again
Oh, Las Vegas I can only afford one weekend
