[Intro: Kanye West]

Me and the RZA connect

Yeah, me and the RZA connect

[Verse 1: Kanye West]

And I'll never let my son have an ego

He'll be nice to everyone, wherever we go

I mean I might even make him be Republican

So everybody know he love white people

And I'll never let him leave his college girlfriend

And get caught up with the groupies in the whirlwind

And I'll never let him ever hit the telethon

I mean even if people dyin' and the world ends

See, I just want him to have an easy life

Not like Yeezy life

Just want him to be someone people like

Don't want him To be hated all the time judged

Don't be like your daddy that would never budge

And I'll never let him ever hit a strip club

I learned the hard way, that ain't the place to get love

And I'll never let his mom move to L.A

Knowin' she couldn't take the pressure now we all pray

[Break]

[Jay-Z]

Me and the RZA connect

Me and the RZA connect

[Verse 2: Jay-Z]

Sorry junior, I already ruined ya

Cause you ain't even alive, paparazzi pursuin' ya

Sins of a father make your life ten times harder

I just wanna take ya to a barber

Bondin' on charters, all the shit that I never did

Teach ya good values so you cherish it

Took me 26 years to find my path

My only job is cut the time in half

So at 13 we'll have our first drink together

Black bar mitzvahs, mazel tov, mogul talk

Look a man dead in his eyes so he know you talk truth

when you speak it
Give your word, keep it
And if the day comes I only see him on the weekend
I just pray we was in love on the night that we
conceived him
Promise to never leave him even if his mama tweakin'
Cause my dad left me and I promise never repeat him
Never repeat him... never repeat him
