(Prince Cornelius)

Let me be your wings
Let me be your only love
Let me take you far beyond the stars
Let me be your wings
Let me lift you high above
everything we're dreaming will soon be ours

Anything that you desire
Anything at all
Everyday ill take you higher
And ill never let you fall

Let me be your wings
Leave behind the world you know
For another world of wonderous things
We'll see the universe and dance on saturn's rings
Fly with me and I will be your wings

Anything that you desire
Anything at all(Anything at all)
Everyday I'll take you higher
And I'll never let you fall

(Thumbelina)
You will be my wings
PC - Let me be your wings
You will be my only love
PC - Get ready for another world of wonderous things
Wonderous things are sure to happen

(both)
We'll see the universe and dance on saturn's rings

(Prince Cornelius)
heaven isn't too far

(Thumbelina)
heaven is where you are

(Both)

STAY WITH ME AND LET ME BE YOUR WINGS!
