Soon you'll see  
that the wings on my back are fake  
I've been growing them out since my very first birthday  
Feathers poking through feel like knives in my back  
It's not a counter attack! not a counter attack!  
cause  
this is what we call, this is what we call, this is what we  
call  
Tears in Seattle

Get up, Get up, Get up, Get up, Get up, Get up, Tears in  
Seattle  
Get up, Get up, Get up, Get up, Get up, Get up, Tears in  
Seattle

and soon you'll see that i'm not just anyone  
but i'm giving up  
giving up babe  
and my eyes will cry like the Seattle skies but no, no, no  
cause

This is what we call, this is what we call,  
this is what we call, Tears in Seattle.

Get up, Get up, Get up, Get up, Get up, Get up, Tears in  
Seattle  
Get up, Get up, Get up, Get up, Get up, Get up, Tears in  
Seattle

we are the champions, we are the heroes that will die in  
the end.
