How many thoughts can go swimming around
Inside my mind inside my head
Pushin' and pullin' I think I'm goin crazy
Thinkin I could of, I should of instead
The other day something come over me
I think I maybe, I think I maybe
Takin' too much in of this world goin crazy
You seen me lately is my head in a spin

Don't you touch me got myself in too much shit
Don't you play me im not your stupid movie script

You gotta get your head
Around that one idea
Don't talk back your givin' me head

I had my thoughts and I let em all out
Out of my mind, out of my head
I wrote em down on a white piece of paper
That's lookin black from the ink in my pen
Im feeling better no more pain, (I'm goin crazy, I'm
goin crazy)
New agenda that's so crazy
Ill do it my way not your way instead, your way instead,
your way instead

Don't you know me
Thought you mite of had me worked out
Don't you bore me
You know what I'm talking about

Your gotta get your head around that one idea
Don't talk back because I don't wanna hear it
You gotta get your head around that one idea
Don't talk back your giving me head

Ohhhhh don't you no it's all in your mind
Ohhhhhh you can do it this time
Ohhhhhhhh gonna get ya oh get ya oh
Ohhhhhhhh might think im crazy baby

Your gotta get your head around that one idea
Don't talk back because I don't wanna hear it
You gotta get your head around that one idea
Don't talk back your giving me head
Your gotta get your head around that one idea
Don't talk back because I don't wanna hear it
You gotta get your head around that one idea
Don't talk back your giving me head
