Sometimes I get that overwhelming feeling
So sad, the faces on TV
If I tried to make a difference would it help anyway
Then I stop and to myself I say...

So you wanna change the world
What R U Waiting 4
Say you're gonna start right now
What R U Waiting 4
It only takes one voice so come on now and shout it out
Give a little more
What R U Waiting 4

Sometimes I feel a little helpless
Seems like I can't do a thing
But anything is possible, just you wait and see
Good things happen if you just believe

So you wanna change the world
What R U Waiting 4
Say you're gonna start right now
What R U Waiting 4
It only takes one voice so come on now and shout it out
Give a little more
What R U Waiting 4

Someday, somehow
Gonna take that step
Cause time is ticking away (away)
Right here, right now
Before it's too late
Gonna face tomorrow today (yeah, yeah)

What R U, What R U Waiting
Waiting, What R U Waiting 4

So you wanna change the world
What R U Waiting 4
Say you're gonna start right now
What R U Waiting 4
It only takes one voice so come on now and shout it out

Give a little more
What R U Waiting 4
So you wanna change the world
What R U Waiting 4
Say you're gonna start right now
What R U Waiting 4
It only takes one voice so come on now and shout it out
Give a little more
What R U Waiting 4

Take sometime to open up your mind
Take sometime to stop and rewind
Take sometime to open up your mind (hey, yeah)
Take sometime to stop and rewind
Take sometime to open up your mind (waiting, waiting)
Take sometime to stop and rewind (oh)
You can do it, What R U Waiting 4
