Climbing up the heavenly stairs
You know where you're going when you know where
You're going to hell
Yes, you're going to hell.

You're going down a hundred eighty degrees,
You can see when you can see
You're going to hell
Yes, you're going to hell.

You were weak, you were easy to squeeze,
They did with you as they please,
You're going to hell
Yes, you're going to hell.

They're going to tear you limb from limb
Because of your so-called sin
You're going to hell,
Yes, you're going to hell.

They're going to tear you limb from limb
Because of your so-called sin
You're going to hell,
Yes, you're going to hell
Yes, you're going to hell
Yes, you're going to hell
Yes, you're going to hell
Yes, you're going to hell
Yes, you're going to hell
Yes, you're going to hell
