"Her Room"

People with cigarettes

Singers with violets

Some who have no regrets

In her room

Men with no hair

Girls in their underwear

Boys who are debonair

In her room

In her room, in her room

In her room, in her room

In her room

Where are the fun times?

Where are the rum times?

Where is the sunshine

In her room

Looking for dog-ends

Picking up her friend

Looking for the end

In her room

In her room, in her room

In her room, in her room

In her room, in her room

In her room

Found her beat black and blue

With the words, "I love you"

Tattooed in rouge

In her room

In her room, in her room

In her room, in her room

In her room, in her room

In her room
