This one's a dodo

This one's a flop

This one's a moron

And I'm fit to drop

Cross-fire chatter

Caught in the slums

She's off to her Chelsea Hotel

Her friend was out

Another one died

She felt depressed

She almost cried

And then she remembered

She'd left her hat

Back in the Chelsea Hotel

No more Lily Marlene

Boys in the back room

Falling in love again

She was an angel

Caught in crossfire

Out of Germany

Before it expired

History is written

The blue angel's gone

And this could be her saddest song

And history is written

The blue angel's gone

This could be her saddest song

Song, song, song
