I took him some flowers
Passed pillars and towers
The statue defaced and unclean
And though he might lie there
I don't think that you care
And your graffiti confirms the scene
His birthday arrived
You just can't stand quiet
Your lack of respect is obscene
Your marker pen ready
Your ego unsteady
Your victim sad, reflected dream
And so you disgrace him
And you deface him
And yet you don't know what I mean
You and your decadence
Your mindless arrogance
Your lack of respect is obscene
Your lack of respect is obscene
Your lack of respect is obscene
