You were seventeen

Pretty in the head

Sent in some photographs

This is what they said

Open your legs

Open your legs

You wanna be a model

And this could be a start

They're only jealous

When they call you a tart

Open your legs

Open your legs

There's a demand

You're the supply

Dry your tears

That's why

Open your legs

Open your legs

Open your legs

Open your legs

Open your legs

Just open your legs
