## "All I've Got"

If I could just find a way to get inside your heart  
I would be the luckiest guy  
If I can just be the one who'd be by your side  
Just a chance to feel what it's like

### REFRAIN 1

And I'd do anything to be in his shoes  
'Cause I know I could give even more

### CHORUS

Baby, this love, it's all that I've got  
More than diamonds and pearls and all the wealth in  
this world  
Baby, this love, it is all that I've got  
But I know it's gonna last forever and ever

(Ooh, love, it's all that I've got)  
It's all that I've got (it is love)

Standing outside your world, wishing you'd let me in  
And I'd show you what my love can bring  
Helplessly hoping you'd give me half a chance  
'Cause I know I'm just one step away

### REFRAIN 2

And I live in a dream that I wish would come true  
Waiting for a happy ending

[Repeat CHORUS]

(Forever and ever)

### BRIDGE

I may not have too much to give  
But how can you stop the feeling so strong  
All I ever want to be is right by your side (right by your  
side)  
Right by your side (by your side)

[Repeat CHORUS except last two words]

Baby, this love

Baby, this love, it is all that Iâ€™ve got  
But I know itâ€™s gonna last forever (oh) and ever  
(Ooh, love, itâ€™s all that Iâ€™ve got, it is love)  
Itâ€™s all that Iâ€™ve got
