INTRO

Woh woh wohÂ...

YeahÂ...

Am I trying too hard to keep this love alive
You don't seem to care about this love that we have
I called you last night but you were not there
I didn't hear from you at all today

CHORUS

I can't play this game
I'm just wasting my time
You leave me with no other choice
But to say goodbye
I want to work things out
But what's the point of it if
I have to be in love alone
It's not worth it anymore

It's hard for me to say goodbye
But tears are falling down from my eyes
I'm sorry, I'm sorry but we tried

I thought we shared a life that's full of love
But now I realize we shared an empty home
I will cry my last cry before I say bye, bye
I will sing my last love song for you tonight

[Repeat CHORUS]

It's hard for me to say goodbye
But did my best to make things right
I'm sorry, I'm sorry but we tried

[Repeat 2nd stanza]

[Repeat CHORUS]
