

17:28 "To Love Again"

Visit "[To Love Again](#)" on [MotoLyrics.com](https://www.motolyrics.com)

Once before, I loved you more
than anything I ever lived for
then you said goodbye, no reason why
you had to change your mind

CHORUS:

But life will then lead us to meet again
deep in my heart I long to hold you again
Time will then teach us to live again
Darlin' you know I long to love you again

Oohh everyday, I kneel and pray
that you'll someday come back to stay

REPEAT CHORUS

Ooh-oooh I can remember
you promised forever
always you'll be in my heart
I promise forever you'll be in my heart

REPEAT CHORUS

I long to love you again...
again
