We met on tuesday I think,  
down on my local for drinks.  
Then one hour turned to three,  
and this is the story of the start of you and me.  
And I thought.  
Mayby we will a mayby we won't a keep do it,  
but I've seen enough and I've heard enough,  
enough to know that I want your love.  
Come here, stay, let's go, wow.  
I wanna give this a chance boy.  
Come here, stay with me and let's go. [2x]  
We met next morning for caffeine.  
You put your hands over mine, let's begin.  
On that morning turned into ten,  
and this is the story of how we begin.  
I'm thinking.  
Mayby we will mayby we won't keep do it.  
But I like your looks and I like your touch,  
you keep coming around and call me up.  
Come here, stay, let's go.  
You should give this a chance boy.  
Come here, stay with me and let's go.  
I said.  
Come here, stay with me and let's go.  
We can go skate or maybe go for a boogie.  
Stay up really late.  
Laughing and watch movies.  
Keep holding my hand boy  
and kiss me again and again and again.  
We can go skate or maybe go for a boogie.  
Stay up really late.  
Laughing and watch movies.  
Keep holding my hand,  
and then you kiss me again and again and again.  
Yeah.  
Come here, stay with me and let's go.  
I said.  
Come here, stay with me and let's go.
