Lola: Been thinkin' for a while and there's something I gotta tell you.

Bugs: (Ehh, I'm kinda busy.)

Lola: Been thinkin' that our love for each other has grown so very strong.

Bugs: (Love? Wait...)

Lola: It's plain to see we're building our worlds together.

Bugs: (Uhh, back up for a minute.)

Lola: I'm looking in your eyes right now and I can tell you feel the same.

Bugs: (You're choking me!)

Chorus: (We are in love.)

Lola: I am so in love today.

Chorus: (We are in love.)

Bugs: I think I'm gonna run away.

Chorus: (We are in love.)

Bugs: Did you tap my phone lines?

Chorus: (We are in love.)

Lola: Yes, I tapped your phone lines.

Bugs: I won't lie, you're a very pretty lady.

Lola: (Thank you!)

Bugs: But you're crazy, crazy, crazy. You make me want to move to Bolivia.

Lola: (Oh, I'll go with you!)

Bugs: You know I'm thinking I should get a restraining order.

Lola: (Those are so hard to enforce.)

Bugs: Cause your car was parked outside my house, every night this week.

Lola: (Your neighbors are sweet!)

Bugs: You're the reason that I have to keep my shades drawn.

Lola: (I'll watch you through the chimney!)

Bugs: I've installed an alarm system, with motion beam detectors.

Lola: (I have the code.)

Chorus: (We are in love.)

Bugs: Give me just five minutes.

Chorus: (We are in love.)

Lola: I think that was five minutes.

Chorus: (We are in love.)

Bugs: Did you just move in with me?

Chorus: (We are in love.)

Lola: Yes, I just moved in with you.

Chorus: (We are in love.)

No, we're NO-O-O-O-O-O-O-O-O-O-O-OT!

Lola: That was our first love song!

Bugs: Ugh!
