His name is flake
He's a fubu freak
He wears yellow clothes
He bathes once a week

Flake's a wiseguy
He has hemeroids
He likes to have fun
With his bath toys

Chorus....

He has flakey skin
Flakey skin

I don't know his name
I see him everyday
He acts a little strange
Well thats what people say

He thinks that he is strong
He's got scronny arms
People pick on him
Cause he's a little wimp

Chorus....
