[Singing]

Otherwise screaming

[I never did what you said,]
[I never stood up for right or wrong,]
[I guess im just useless that way,]
[I could of used your help all along,]
[Now im dieing]
[Feelings of such regret]
[And how im trying]
[Just to forget]

But now look at me, im nothing,
Im a worthless cause,
[Hello, hello, again]
And when I think im right, im wrong
And I knew it all along
[Goodbye, good bye my friend]

Fighting hard, but rather dead,
What's wrong with feelings of contempt?
[I wasted my life, with nothin done]
[And now its time, and the end has come]
I never listened to a word you said
I never wanted to hear any of it
[And now im gasping for breath]
[And your not here]
[And how I was scared of death]
[But its just fear]

But now look at me, im nothing,
Im a worthless cause,
[Hello, hello, again]
And when I think im right, im wrong
And I knew it all along
[Goodbye, good bye my friend]

And now I lay on this bed
[And now I lay on this bed]
And now I understand
[And now I understand]

You told me don't be scared
[You told me don't be scared]
You were prepared!!!!

But now look at me, im nothing,
Im a worthless cause,
[Hello, hello, again]
And when I think im right, im wrong
And I knew it all along
[Goodbye, good bye my friend]
