Your lips so smooth and faded so new but jaded
Your hair so fake yet brilliant so created but wonderful
Your eyes so beautiful and your hair so wonderful but
your lies are
bullshit yea and I am such fake
with eyes so beautiful and hair so wonderful how in
gods name
could you be such a bitch

Perfectly distracted by the way you close your eyes
Perfectly destroyed by the overwhelming lies
Perfectly disappointed by the way your eyes just stare
Perfectly distressed by the colour in your hair x2

My eyes so blue but black so clear but distracting
My lips so true but faded so glared but destroyed
My style so wonderful and my poems so beautiful but
my truth is
bullshit yea cause I am such a fake
with a style so wonderful and poems so beautiful how
in our world
could you fall for all my shit

Perfectly distracted by the way you close your eyes
Perfectly destroyed by the overwhelming lies
Perfectly disappointed by the way your eyes just stare
Perfectly distressed by the colour in your hair

Perfectly distracted
Perfectly destroyed
Perfectly disappointed
Perfectly distressed

Perfectly distracted by the way you close your eyes
Perfectly destroyed by the overwhelming lies
Perfectly disappointed by the way your eyes just stare
Perfectly distressed by the colour in your hair

Perfectly distracted by the way you close your eyes
Perfectly destroyed by the overwhelming lies
Perfectly disappointed by the way your eyes just stare

Perfectly distressed by the colour in your hair
