I can't handle this pain
(No I can't handle this again)
such a rollercoaster of emotions
(such a dangerous ride)

why struggle to exist,
(when you barely breathing)
A broken heart is the worst,
To a boy lost and grieving,

[Tick tock]
a time bomb ticking away
[tick tock]
wasting another day,

because when you not here im lonely
(all broken up inside)
just another reason to hide,
away from your emotions,

(I call around)
but call to late
(I'd take you out)
on our last date,
to find the boy you once loved,
to find the boy you once loved,

[Tick tock]
a time bomb ticking away
[tick tock]
wasting another day,
(tick tock)
say what you wanted to say
(tick tock)
never put me threw this again

why am I just breathing,
not living, less conceiving,
why spend the best years,
hiding from all my fears,
will I say what I regret,

or will you understand it,

[tick tock]
