Baby, what's your phone number?
I know I'm kinda fast, but I hate to waste time.
Baby, what's your phone number?
Girl, I have to ask cuz you're so fine.

777-9311 - I wanna spend the night with you, if that's
alright.
777-9311 - Ooh baby, please can I come tonight?

Baby, what's your phone number?
How can you be reached on a lonely night?
Baby, what's your phone number?
How can I get into you when I'm feeling right?

777-9311 - I wanna spend the night with you, if that's
alright.
777-9311 - Ooh baby, please can I come tonight?

Ain't nothin' worse than rejection
I'd feel a little better if you slapped my face

Hey, what's your phone number?
Can't you see the agony I'm goin' through?
Baby, what's your phone number?
Girl, it's getting harder baby, won't you let me love you,
love you

777-9311 - I wanna spend the night with you, if that's
alright.
777-9311 - Ooh baby, please can I come tonight?

Hey baby, what's your phone number?
I know it sounds fast, but I ain't got all night.
Come on baby, what's your phone number?
You know I got to be cooler than this cat you're sittin'
with
I'll do you right, baby

Come on!
Come on!
Come on! (oh, no)

Come on! (oh...hey)

777-9311 - I wanna spend the night with you, if that's alright.

777-9311 - Ooh baby, please can I come tonight?

Come tonight, if it's alright

Honey, please can I come to night?

Can't you see what I'm gonna through?

I wanna do it to night, baby, I wanna do it to you

It's on fire, help me out

It's getting higher, you know what I'm talkin' about

Help me out, good Lord above.

Baby girl, give me some of that love

Terry...(bass)
