

Time, The "Cool"

I got a penthouse in Manhattan, two more in Malibu
I bought a '87 Cadillac Seville, girl I got a Mazarati too
I wear diamonds on my fingers, I got a couple on my
toes
I wear the finest perfume money can buy, it keeps me
smellin' like a rose

If you wonder how I do it,
there's just one simple rule
I'm just cool (cool)
Honey, baby, can't you see?
Girl, I'm so cool (cool)
Ain't nobody bad like me

C-O-O-L
What's that spell?
C-O-O-L

I might dine in San Francisco, dance all night in Rome
I go any freakin' place I want to, and my Lear Jet brings
me home
I got ladies by the dozens, I got money by the ton
Just ain't nobody better, heaven knows that I'm the one

And it's all because of something
that I didn't learn in school
I'm just cool (cool)
Honey, baby, can't you see?
Girl, I'm so cool (cool)
Ain't nobody bad like me

Sing it baby
C-O-O-L
What's that spell?
C-O-O-L
That spells cool
C-O-O-L
What time is it?

Listen baby, it takes a lot of lovin' and a little money to
be a friend of mine

But baby, if you know how to shake that thing, I'll try to
squeeze a little time
Cuz I make love, love every mornin' to who's ever by
my side
Well, you might say that I'm a nymphomaniac, but it
keeps me satisfied

When I look into the mirror,
it just tells me something I already know.
I'm just cool (cool)
Honey, baby, can't you see?
Girl, I'm so cool (cool)
Ain't nobody bad like me
Sing it. - C O O L.
What's that spell? - C O O L.
What time is it? - Cool.
I'm so cool.

Cool, that's right
I'm cooler than Santa Claus, baby
for-umm hmm-Ain't nobody bad like me
Somebody pinch me
I must be dreamin'
I know that's right
Cuz there ain't nobody bad like me
What time is it?
Is it time to get my hair done yet?
I said, "What time is it?"?
Time to just walk and shake my head
I'm cool 'til I'm dead
Enough has been said,
Come on baby, let's go to bed
Everybody
Walk, shake my head!
Cool 'til I'm dead!
Enough has been said,
let's go to bed!

When I look into the mirror,
it just tells me something I already know.
I'm just cool (cool)
Honey, baby, can't you see?
Girl, I'm so cool (cool)
Ain't nobody bad like me
Sing it. - C O O L.
What's that spell? - C O O L.
What time is it? - Cool.
I'm so cool. All together now. - C O O L.
What's that spell? - C O O L.

Band? - Yes!

Is anybody hot? - No!
You know why? - Why?
Cuz we're cool. - Cool!
