Get it up  
get ready for a real good time  
I'm gonna try to blow your mind  
Can't you see? You and me  
It sounds so nasty

Get it up  
let your hair hang down  
We could fool around.  
Don't you know? I want you so  
Make me happy

Get it up  
there's nothin' wrong  
With freakin' all night long  
Me and you, We need a groove  
It feels good, do it.

Get it up  
leave your cares behind  
Let me try to find  
Find the spot, to get you hot  
(oh) Let me do ya

What time is it?

Get it up  
get ready for a real good time  
I'm gonna try to blow your mind  
Can't you see? You and me  
It sounds so nasty

Get it up  
let your body drip  
Let me take you on a trip  
Can't you see? You're killin' me  
You're so freaky.

Get it up  
Get it up  
I'll fuck you all night.

Get it up  
Get it up  
All night
