Girl, I called you up to say  
that I'm havin' trouble sleepin' ever since you went  
away  
Girl, I know you need a little time to get your head  
together  
But baby, I can't stop cryin'

Girl  
why'd you go away?  
What can I say to make you stay?  
Girl  
I was a fool  
I don't know what to do  
I'm still in love with you

I'm still in love with you, baby

Girl, I guess I was a fool  
to try to tie you down and make you play by the rules  
Girl, I guess I finally realized  
that keepin' you close to me, it would keep me alive

Girl, why'd you go away?  
What can I say to make you stay?  
Girl, I was a fool  
I don't know what to do  
I'm still in love with you

Don't know what I'm gonna do

Girl, what can I say baby, to make you stay?  
Girl, I don't know what to do, No I don't  
I'm still in love, still in love, still in love

Girl, down on my knees  
Oh baby, please  
Girl, oh baby, please  
I'm still in love with you.

I'm still in love with you.

Called you up to say  
Baby, I still love you  
I'm still in love  
I'm still in love.
