

Time, The "Ice Cream Castles"

We are young, we are free on earth together. Let's fall
in love.

You are fine, you are white, I am of color. Let's fall in
love.

Ice cream castles in the summertime.
Ice cream castles in the summer.

I want you, you want me, we want each other. Is that so
wrong?

It's raining. Mad sisters, why can't they realize, that it
won't be long?

We're all ice cream castles in the summertime.
Ice cream castles in the summer.
Let's do something soon.

We are young, we are free. Let's come together before
the end.
I am blue, you are too, what could be better? Let's
make friends.

We're all ice cream castles in the summertime.
Ice cream castles in the summertime.
We're all ice cream castles in the sun.
Ice cream castles when we fall.
Ice cream castles in the summertime.
Summertime, summertime, summertime.

Is that what you need?
White girls, black girls, orientals, jamaican?

Ice cream castles in the summertime.
We're all ice cream castles in the sun.
Ice cream castles when we fall.
Ice cream castles in the summertime.
Summertime.

White girls, black girls, orientals, jamaican.
I want you, you want me, we want each other.

White girls, black girls.

We are young, we are free on earth together.

Let's do something, let's do something soon.

We are young, we are free. Let's come together
