Hey girl, when are you comin' back?  
Don't know what I'm supposed to do, to fill this  
emptiness.  
Never thought I'd miss you, but this feelin' I can't hide.  
It comes in the middle of the day and it stays through  
the night.  
(chorus)  
Sometimes I get lonely. - When it's late at night.  
I think of you only. - When I want to hold somebody  
tight.  
Sometimes I get lonely. - And filled with emptiness.  
Sometimes I get lonely. - For love.  
Baby, let me slow this thing down.  
Think I need a change of pace, think I'll spread myself  
around.  
There's only so much time in a day, and I've got things  
to do baby.  
So I'm not gonna spend my time waiting on you.  
Sometimes I get lonely. - You better come home.  
I think of you only. - When I want to hold somebody  
tight.  
Sometimes I get lonely. - And filled with emptiness.  
Sometimes I get lonely. - For love.  
(repeat chorus)  
You're leavin' home. - So when you're leavin' home?  
Call me. - And you're not comin' right back.  
Just let me know, so I can find some happiness,  
somewhere else.  
So what's it gonna be baby?  
I think it's about time you start thinkin' about me.  
Oooh, don't make me wait baby.  
If you know what I'm talkin' about. Fellas, help me out.  
Sometimes I get lonely. - Hey girl.  
I think of you only. - When I want to hold... hold you.  
Sometimes I get lonely. - And filled with emptiness, hey  
girl.  
Sometimes I get lonely. - For love.  
(repeat chorus)  
Sometimes I get lonely. - Baby, you don't know how it  
feels when it's late at night.  
I think of you only. - When I wanna hold you, when I

wanna squeeze you tight.  
Sometimes I get lonely. - Tonight I'm lonely.  
Sometimes I get lonely. - For love, for love.  
If you want to please me, please don't tease me. - Don't  
make me wait girl.  
If you want to please me, please don't tease me. - I  
want to hold your body tight.  
If you want to please me, please don't tease me. - So  
what's it gonna be baby?.  
Sometimes I get lonely...
