WHAT TIME IS IT?!

Hangin' by the backstage door, decked out like a queen  
Your body's sayin' 21, but your face says 17  
My intuition tells me, that you're waitin' for the band  
Before you get your hopes up, one thing understand

Wild and loose, that's how it's got to be  
Cuz that's the only kind of dame that appeals to me  
Wild and loose, the only life I know  
Just havin' one big party from show to show

Talkin' trash to Jimmy Jam, "Tell us where the party's at"  
We don't care who you came with, we'll take care of that  
Just meet us at the Go-tel, Room 602  
Tell your mama you won't be home, cuz we got plans for you

Wild and loose, that's how it's got to be  
Cuz that's the only kind of dame that appeals to me  
Wild and loose, the only life I know  
Just havin' one big party from show to show

Universal freak delight, where'd you get those thighs?  
Where did you get the nerve, to wear that miniskirt so high?  
Don't worry baby, I can keep a secret for as long as snow is white  
Hey Jesse (Yeah?!)  
Come here man, guess what I did last night?

Wild and loose, that's how it's got to be.  
Cuz that's the only kind of dame that appeals to me.  
Wild and loose, the only life I know.  
Just havin' one big party from show to show

Baby, you ain't no saint, cuz there ain't no in-between  
Either you come or you can't, now get loose, let me

hear you scream  
Baby, you ain't no saint, cuz there ain't no in-between  
Either you come or you can't, now get loose, let me  
hear you scream

Wild and loose, that's how it's got to be.  
Cuz that's the only kind of dame that appeals to me.  
Wild and loose, the only life I know.  
Just havin' one big party from show to show

Wild and loose - Ah pardon me, say it one more time  
Wild and loose - I can't hear ya, baby, maybe I'm blind  
Wild and loose - Everybody know you got to be  
Wild and loose - Cuz ain't nobody cool but me, slap me  
Wild and loose - Somebody, somebody sing it  
Wild and loose - Tell your mama you won't be home  
Wild and loose - Everybody know you got to be  
Wild and loose - Ain't nobody cool but me, now break it  
down

Kim, wasn't the concert great?  
(Minneapolis is mine)  
Oh yeah, it sure was  
(She was right in the front row)  
(I know man, she was sittin' there)  
Did you see Jesse up there, wasn't he fine?  
(She was lookin' at me so nasty, you know what I'm  
sayin'?)  
Oh yeah  
(But the groove was so strong)  
Morris looked so good  
(I know what I'm gonna be doin' in the back of the bus  
to night!)  
Yeah, but I think Jesse is cuter  
Oh yeah!  
(Am I right?)  
I wonder what they are doin' after the concert.  
(Ah-ah, I got it to night Jimmy)  
Oh yeah, I got a strange feelin' they're nasty.  
(You had it last night)  
Yeah, I bet I'll remember this concert for the rest of my  
life.  
(This lady called me up last night)  
(She said "Morris, you can be so cute, pretty, fine,  
handsome, whatever")  
So will I  
Did you see Jesse's eyes, aren't they pretty?  
(What can I say? You know)  
(Yeah, I know what you sayin' man)  
Oh, they're so pretty  
No one at school will ever believe I talked to Morris on

the phone last night.  
(Hey look, are they sorry, that group that played before us?)  
(Oh, I believe you)  
(Jimmy Jam, you know we're good)  
Hi's voice was so soft, he sounded so sweet  
(You know when we stepped in that club)  
Oh yeah, he's so cool.  
(We saw Monte sittin' back there with his little girlfriends)  
Yeah, but now I want to meet'em in person.  
(I said "What is it like bein' cool?")  
(Some people have it too cool)  
Hey hey, were you guys at the concert tonight?  
Oh, beat it jerk  
Yeah, get away, eh yuck  
(Man, look at these two chicks over...man, look at this, look at this)  
(Man, they look...they look wild and loose)  
Kim, you're not gonna believe this  
The guys from the Time are right behind you  
(Man, the girls are lookin' right)  
(Go on, won't y'all try and rap at'em and see what time)  
Are you serious?  
(They should take them jeans off, that's what I like)  
No, I'm not...I mean yes I am! Over there.  
(I mean, you know, you know I got somethin' 4'em to put on)  
Oh my God!  
Can you believe it? Look  
(You saw what I was with the other night?)  
Should I look?  
Should I go over and see if he remembers me?  
Oh yeah  
(It's kinda right. Do whatever you want)  
But what should I say?  
Say somethin'  
(I got the back of the bus to night, that's all I got to say)  
H-h-hi, Morris.  
Umph, hello, do I know you?  
Yeah, you talked to me on the phone last night.  
Is that right? Well, you sure don't look like you sound.  
Well, excuse me!  
It's OK baby, I got things to do, I'll talk to you later.  
Jerk! That was the worst concert I've ever been to

Wild and loose

Wild and loose, that's how it's got to be.  
Cuz that's the only kind of dame that appeals to me.  
Wild and loose, the only life I know.

Just havin' one big party from show to show

Wild and loose - I can't hear you singin'

Wild and loose - Help me out, help me out, hey

Wild and loose - Baby, I got plans for you

Wild and loose - Everybody get loose

Fellas (Yeah?)

Where the party at? (Right here under your shoes)

Fellas (Yeah?)

What time is it? (Time to get wild and loose)

Somebody bring me a mirror
