Look at me  
Just give me your attention  
You're meant to stay  
Don't you dare run away

Honestly  
I don't need this intervention  
Now seriously  
What do you want me to say

Come on now what's wrong with me  
I bet they'd be going nuts in Japan  
I just don't know what to do  
So tell me  
The only thing that I want to know  
Why do you like him better than me

Am I too common for your love  
Too mainstream, not spiced up enough  
Maybe I'm too naive  
Or too clean for your love

Am I too common for your love  
Too mainstream, not spiced up enough  
Maybe I'm too naive  
Tell me, do you like it rough

The music fades  
I keep on dancing to your heartbeat  
Your hungry lips  
Seem to whisper my name

The moment you close your eyes you'll see  
Whatever you want me to be  
Do you still like him better than me  
Is this the way you want it to be  
Do you still like him better than me

Am I too common for your love  
Too mainstream, not spiced up enough  
Maybe I'm too naive

Or too clean for your love

Am I too common for your love  
Too mainstream, not spiced up enough  
Maybe I'm too naive  
Tell me, do you like it rough

The sweaty taste upon your lips  
My hands are moving towards your hips  
About to show me where this beat will take us  
This night will make us...

Am I too common for your love  
Too mainstream, not spiced up enough  
Maybe I'm too naive  
Or too clean for your love

Am I too common for your love  
Too mainstream, not spiced up enough  
Maybe I'm too naive  
Tell me, do you like it rough

Tell me, do you like it rough babe  
(...too common for your love)  
Tell me, have you had enough babe  
(...not spiced up enough)  
I want you to be on my team  
Baby let's go mainstream  
(..for your love)

Tell me, do you like it rough babe  
(Am I too common for your love)  
Tell me, have you had enough babe  
(Too mainstream, not spiced up enough)  
I want you to be on my team  
Baby let's go mainstream  
Do you like it rough
