Every single year we make a promise  
Nothing can stop us  
We're gonna make sure this is our time to shine

Everything that we have ever wanted  
This time we're on it  
Now I'm gonna get what should have been mine

Everything that they have ever said to me  
I don't care cause I know it's all meant to be  
You'll see  
It will get better

Tomorrow: I'm gonna be a moviestar  
Tomorrow: I'm gonna move away real far  
Tomorrow: It's time for me to move my feet  
And I'll keep on dancing to this beat beat beat beat

Tomorrow: I'm gonna be a moviestar  
Tomorrow: I'm gonna move away real far  
Tomorrow: I'll finally know the words to say  
It's gonna be a better day

Every day we kinda here the same song  
But what they're saying's wrong  
We're gonna dance our way right on to the top

They say that it is one way or the other  
But I don't bother  
Because I know there's only one way that's up

Everything that they have ever said to me  
I don't care cause I know it's all meant to be  
You'll see  
It will get better

Tomorrow: I'm gonna be a moviestar  
Tomorrow: I'm gonna move away real far  
Tomorrow: It's time for me to move my feet  
And I'll keep on dancing to this beat beat beat beat

Tomorrow: I'm gonna be a moviestar  
Tomorrow: I'm gonna move away real far  
Tomorrow: I'll finally know the words to say  
It's gonna be a better day

Hey, don't ever stop  
Don't give up  
Things will get better

Tomorrow: I'm gonna be a moviestar  
Tomorrow: I'm gonna move away real far  
Tomorrow: It's time for me to move my feet  
And I'll keep on dancing to this beat beat beat beat

Tomorrow: I'm gonna be a moviestar  
Tomorrow: I'm gonna move away real far  
Tomorrow: I'll finally know the words to say  
It's gonna be a better day
