[Eric Turner]

Oh written in the stars  
A million miles away  
A message to the main  
Ooooh  
Seasons come and go  
But I will never change  
And I'm on my way!

[Tinie Tempah - Verse 1]

Lets go!  
Yeah  
You're listening now  
They say they aint heard nothing like this in a while  
Thats why they play my song on so many different  
dials  
Cause i got more fuckin' hits than a disciplined child  
When they see me everybody brrrrrap, brrrrraps  
Man I'm like a young gun fully black Barrack  
I cried tear drops over the massive attack  
I only make hits like I work with a racket and bat  
Look at my jacket and hat  
So damn berserk  
So down to earth  
I'm bringing gravity back  
Adopted by the major I want my family back  
People work hard just to get all their salary taxed  
Look I'm just a writer from the ghetto like Malory  
blackman  
Where the hell's all the sanity at, damn  
I used to be the kid that no one cared about  
Thats why you have to keep screaming til they hear you  
out

Oh, written in the stars  
A million miles away  
A message to the main  
Ooooh  
Seasons come and go  
But I will never change  
And I'm on my way!

Oh, oh, oh, oh (OH!) x4

[Tinie Tempah - Verse 2]

Yeah, I needed a change

When we ate we never tipped because we needed the change

I needed a break

For a sec I even gave up believing and praying

I even done the legal stuff and was lead astray

They say money is the route to the evilist ways

But have you ever been so hungry it keeps you awake?

Mate, now my hunger would leave them amazed

Great, it feels like a long time coming, fam

Since the day I thought of that cunning plan

One day I had a dream I tried to chase it

But I wasn't going nowhere, running man!

I knew that maybe someday I would understand

Trying to turn a tenner to a hundred grand

Everyone's a kid that no-one cares about

You just gotta keep screaming until they hear you out

Oh, written in the stars

A million miles away

A message to the main

Ooooh

Seasons come and go

But I will never change

And I'm on my way!

Oh, oh, oh, oh (OH!) x5

(Keep singing!)

Oh, oh oh oh (OH!)

(Eric Turner!)

Oh, oh, oh,oh (OH!)

Lets go!

Oh, written in the stars

A million miles away

A message to the main

Ooooh

Seasons come and go

But I will never change

And I'm on my way!!
