Why do I look to you?  
To redeem and fulfill  
To starve and deprive  
The whole of my will

And yet I look to you  
And yet I look to you

One way to bring it down  
Listen, for these words are my way  
One way to bring it down  
Listen, for these words are my way

And yet I look to you

One way to bring it down  
Listen, for these words are my way  
One way to bring it down  
Listen, for these words are my way

Why do I look to you?  
In the wake of the turning hour  
To hold and sip  
Upon all that has soured

And yet I look to you  
And yet I look to you

One way to bring it down  
Listen, for these words are my way  
One way to bring it down  
Listen, for these words, for these words are my way
