I have lain  
With evil  
And with evil by my side  
But the devil could not be your rival

And neither could i  
Release me from this night  
And the pain that is tomorrow  
For now you don't believe

But revenge is soon to follow  
You!  
With all your hatred and distrust  
This is no longer the life we knew

We live in our disgust  
With all the scorn  
Of my will  
I did not ask for this

With the regret that haunts me still  
Vengeance flows from my wrist  
Release me from this night  
And the pain that is tomorrow

For now you don't believe  
But revenge is soon to follow  
You!  
This is where it comes undone

In my world  
You are not welcome  
You!  
With all your hatred and disgust

This is  
Disgust  
Now disease has fallen  
Fallen upon my will

And this shadow

Of spite and scorn  
Lays with your evil still  
Release me from this night

And the pain that is tomorrow  
For now you don't believe  
My revenge is soon to follow  
You!

This is where it comes undone  
In my world  
You are not welcome

This is where it comes undone  
In my world  
You are not welcome
