Every single day
Is a battle I know that I'm meant to face
I'm on a trail I'm meant to blaze
Tomorrow before me.

I've gotta do it, no matter what
I'm a woman on fire!
Gotta try to be strong
And getcha shouting c'mon, c'mon, c'mon!

(Uo-oh-oh-oh)
Take a look at me now,
'Cause I'm living my dream!
I'm gonna dare to be tender
And never gonna surrender!
(I'm in control and my)
My way is my decision!
My power is my vision!
Ooooo-oh!

Smiling through the tears,
My desire's a weapon against my fears.
I wanna be a tale they tell over the years,
To inspire the world.

So I've gotta be stronger.
I've gotta prove I'm a winner.
(I am the winner!)
Lead 'em into the light.
I've gotta show 'em all that I'm right!

(Uo-oh-oh-oh)
Take a look at me now,
'Cause I'm living my dream!
I'm gonna dare to be tender
And never gonna surrender!
(I'm in control and my)
My way is my decision!
My power is my vision!
Ooooo-oh!

I'm gonna dare to be tender
And never gonna surrender!
I'm gonna dare to be tender
And never gonna surrender!

Uo-oh-oh-oh
Uo-oh-oh-oh

(Uo-oh-oh-oh)
My way is my decision!
My power is my vision!
My way is my decision!
My power is my vision!

(Uo-oh-oh-oh)
Take a look at me now,
'Cause I'm living my dream!
I'm gonna dare to be tender
And never gonna surrender!
(I'm in control and my)
My way is my decision!
My power is my vision!
Ooooo-oh!
My way is my decision!
