There's a soldier on the border
Waiting for the promised land
Just a tool of law and order
Reach and take this hand

What's a war if no one fights it
What's a door without a key
Theres a place that i'll delimit
A place for you and me

Fantasia
I hear you calling
Fantasia
Please let me in
Fantasia
The curtains falling
Never giving in

We don't want no blood & hunger
We don't want no days of doom
Warriors are getting younger
Watching from my room

Fantasia
I hear you calling
Fantasia
Please let me in
Fantasia
I hear you calling
Fantasia
Please let me in
Fantasia
The curtains falling
(I hear you calling!) I hear you calling

Fantasia
I hear you calling
Fantasia
Please let me in

Fantasia

I hear you calling
Fantasia
Please let me in
Fantasia
The curtains falling (The curtains falling)
Fantasia
Please let me in
