The room's green  
It's got writing  
On the wall  
It's got one chair  
It's kinda small

Dirty shoes  
Running past the door  
And then you go round  
Beat yourself up,

Ten minutes to go,  
And I wanna go home  
Ten minutes to go,  
Yeah  
I've got to go home  
Ten minutes to go,  
And the air  
It don't feel clear  
Everybody disappear  
You're in it  
On your own

Fourteen  
Intimidated  
And she's just fourteen  
She's getting pulled  
From the opposite side,  
Until it breaks down  
Blame it on  
The wrong crowd  
Stay, more make up  
Hair dye

Ten minutes to go,  
You know  
She should have gone home  
Ten minutes to go,  
Yeah  
You should have gone home  
Ten minutes to go,

And the air  
It don't feel clear,  
Everybody disappear  
You're in it on your own

You can't sleep,  
You know it's over  
But you just can't sleep  
You've gotta face it,  
Gotta go outside  
And do the day-walk  
Living with the lights off  
Ain't nobody home

Ten minutes to go,  
You know  
You wanna stay home  
Ten minutes to go,  
Yeah you wanna stay home  
Ten minutes to go,  
And the air  
It don't feel clear,  
Everybody disappear  
You're  
In it on your own

Keep your head  
Keep your head  
Just keep your head  
Keep your  
Head

You wanna keep  
Ah  
Keep it on the right side  
If you know  
Your gonna be  
Coming off  
It's gonna make you  
Open your eyes  
I said, now  
Open your eyes  
You know it  
You wanna keep  
Ah  
Keep it on the low side  
Yes you gonna see  
Ten minutes to go ( ? )  
And your keeping it  
Heads up  
Keep it low, be right

Push it kinda low

So, open your eyes
