Four little words just to get me along  
It's a difficulty and i'm biting on my tongue and I  
I keep stalling, keeping me together  
People around gotta find something to say now

Holding back, everyday the same  
Don't wanna be a loner  
Listen to me, oh no  
I never say anything at all  
But with nothing to consider they forget my name  
(ame, ame, ame)

They call me 'Hell'  
They call me 'Stacy'  
They call me 'her'  
They call me 'Jane'  
That's not my name  
That's not my name  
That's not my name  
That's not my name

They call me 'quiet girl'  
But i'm a riot  
Mary, Jo, Liza  
Always the same  
That's not my name  
That's not my name  
That's not my name  
That's not my name

I miss the catch if they throw me the ball  
I'm the last chick standing up against the wall  
Keep up, falling, these heels they keep me boring  
Getting glammed up and sitting on the fence now

So alone all the time and I  
Lock myself away  
Listen to me, i'm not  
Although i'm dressed up, out and all with  
Everything considered they forget my name  
(ame, ame, ame)

They call me 'Hell'  
They call me 'Stacy'  
They call me 'her'  
They call me 'Jane'  
That's not my name  
That's not my name  
That's not my name  
That's not my name

They call me 'quiet girl'  
But i'm a riot  
Mary, Jo, Lisa  
Always the same  
That's not my name  
That's not my name  
That's not my name  
That's not my name

Are you calling me darling?  
Are you calling me bird?  
Are you calling me darling?  
Are you calling me bird?

...continues with chorus overlapping
