Hey you look at me  
I got a devil in me  
So you think I'm sweet  
But I can make you bleed  
I dont need to be  
What you expect of me  
So just wait and see  
When you cry I succeed

Bridge:

Cos I am just a little bitch

Chorus:

Check me check what you're gonna get  
I'm gonna be the one to turn your head  
Ooh baby, baby, baby can't you see  
You are not half the man I need (the man I need)

Verse:

Hey you look at me  
I got what you need  
So you are on your knees  
But I just like to tease

Bridge

Cos I am just a little bitch

Chorus (2X)

Check me check what you're gonna get  
I'm gonna be the one to turn your head  
Ooh baby, baby, baby can't you see  
You are not half the man I need

I'm a little... (repeat)

Chorus:

Check me check what you're gonna get

I'm gonna be the one to turn your head  
Ooh baby, baby, baby can't you see  
You are not half the man I need

Check me check what you're gonna get (3X)  
I'm a little I am a little  
I'm a little, I am a little, little
