Ho ho ho ho
Ho ho ho ho
Ho ho ho

.. good and Santa's hat
You put the X in X-mas
It's not .. like a polar cat
You put the X in X-mas
Santa's sleigh will definitely ground
The moment that you are around
Come on here girl, You put the X in X-mas
Ho ho ho ho
Ho ho ho ho
Ho ho ho

Candy .. hoodie top
You put the X in X-mas
Silver bell jingling non stop
You put the X in X-mas
your dress is going like an open fire,
you are the present girl that I desire
Come over here girl. put away business,
You put the X in X-mas
Ho ho ho ho
Ho ho ho ho
Ho ho ho
You put the X in X-mas
You put the X in X-mas
You put the X in X-mas
Dig it all the way up to new year's eve
