[Intro (Tiny):]

Hey baby, I wanna know one thing...  
Do you want me as much as I want you?  
Say you do.

[Verse One:]

[Tiny]

Never should have kissed you,  
Never made that call.  
I told myself,  
In love I shouldn't fall.  
Would've been a pleasure,  
Just to know your name.  
Look at me, silly me,  
Now I'm back in love again.

[LaTocha]

And there's nothing you can tell me,  
Nothing I can do.  
I just hope that you're in love with me,  
The way that I'm in love with you.

[Chorus:]

Do you want to,  
Like I want to be in love with you.  
Say you do.  
Do you want to,  
Like I want, I want to make love to you.  
Say you do.

[Verse Two:]

[Tiny]

Never understand it,  
Loving takes control.  
Oh, I ask myself,  
Girl, should you let it go?  
That would be too crazy,  
Life without you know.  
Hate to think of it happening,  
That you won't be around.

[LaTocha]

Now there's something you can show me,

Something you can say.  
Promise me you'll stay with me,  
Until my dying day.

[Repeat Chorus]

[Break:]

[Tiny]

Now my deep emotions  
Have completely come over me.  
I'm into you, I'm loving you too deep,  
Oh, yes I am.

[LaTocha]

Should have seen it coming,  
Felt my heart beating much too weak.  
I can't control, I can't let go,  
Of you baby, you baby, you.

[Repeat Chorus to fade]

[Outro:]

[Tiny]

Did it feel good to you, baby,  
Like it felt good to me.  
Do you want it again baby, baby,  
'Cause I want it right now, yes I do.

[LaTocha]

Sometimes I cry, baby,  
Sometimes I weep at night, baby.  
Take me, take me, tell me you love me, baby,  
Say you really, really love me, baby.  
Sometimes I can't sleep at night,  
'Cause I want you right here by my side.  
Baby, baby, baby,  
Say you want to make love to me, baby,  
Like I do to you.
