This is our life in letters  
All at once remembered when I walked you home  
All at once a lightweight  
With every smile I intake  
Soberly blow me down  
All the lights we passed  
And this wine in the glass  
And we're center stage  
Face so welcoming will  
Make a man say things he does not mean  
Too soon, too soon

Oh baby, oh baby

I'm just a dog  
Howling  
At the moo-ooo-oon  
Just a dog  
Howling  
At the moo-ooo-oon

This is our life in love oh  
All at once begun when I let you know  
This is where the cold wind bit  
Searching hands and fingertips find my own  
This is where the evening changed  
At once rearranged when you told me so  
Oh how funny life gets  
This is our song in effect obviously, obviously

Oh baby, oh baby

I'm just a dog  
Howling  
At the moo-ooo-oon  
Just a dog  
Howling  
At the moo-ooo-oon

Oh baby, oh baby  
Oh baby, oh baby

I'm just a dog  
Howling  
At the moo-ooo-oon
