The game is on, it's on for you and me  
Tonight we're gonna get this party started right  
Let's turn it on, I know just what you need  
Tonight we're gonna get this party started right

The lights will fall, I want it all  
I'm gonna make you dance until the dawn  
It's now the time to lose your mind  
Live it up tonight, the game is on

The game is on, it's on for you and me  
Tonight we're gonna get this party started right  
Let's turn it on, I know just what you need  
Tonight we're gonna get this party started right

The lights will fall, I want it all  
I'm gonna make you dance until the dawn  
It's now the time to lose your mind  
Live it up tonight, the game is on
