High on your horse, Mr. Suppressor
You never come down to earth
You gonna stay up high, Å
so you miss, what's going on!
We're in a fever about a hundred-and-ten
to meet each and every important man
to get our things started, make it fullhearted Å

but you miss, what's going on!
Big Bob, we don't stop
until this thing is fully done.
Criss Cross, thank you boss
soon the battles we'll have won.
