You got me paralysed, I'm blinded by the lights
The taste I once denied, you're rushin' through my
vains
Manipulate my brains, to awaken my disguise

Intoxicating, what I'm craving
I just can't hide

I feel the life
I'm on my way
And there's nothing I can be
It's the only way to feel my go
I feel the life
I'm on my way
What a vision
You were guide as you opened up my mind
This win tough
I'm ,now the time
Confusion brews my mind
To take my hand tonight, you're rushin' through my
vains
Manipulate my brains, to awaken my disguise

Intoxicating, what I'm craving
I just can't hide

I feel the life
I'm on my way
And there's nothing I can be
It's the only way to feel my go
I feel the life
I'm on my way
What a vision
You were guide as you opened up my mind
This win tough

I feel the life
I'm on my way
And there's nothing, there's nothing I can be

I feel the life

I'm on my way
And there's nothing I can be
It's the only way to feel my go
I feel the life
I'm on my way
What a vision
You were guide as you opened up my mind
This win tough
