I've been looking for Ladies, barenaked ladies
till the sun went down.
Hm, not surprising

That the Ladies I'm craving
have a walk that is staling
This may take a while
Oh, I'll be waiting.
Cause I Can't deny that you leave me mystified.
Tell me why

You turn me upside down
No way out from this nowhere town
I'm lost till I hit the ground.
And the sun comes round again

Well I was there well misguided,
till the day I decided, gonna live my life!
No compromising!

I'm gonna taste all the cherries
And swim in heavenly berries
Till I'm satisfied
Uh, now the change is.

Cause I can't deny that
you leave me mystified.
Tell me why

You turn me upside down
No way out from this nowhere town
I'm lost till I hit the ground.
And the sun comes round again

You turn me upside down
Uh Baby you numb the sound
I'm going crazy you still have found
that the sun comes round again

Been a long time waiting.
Till the down lights up in you eyes

And I know, yeah I know there's no
need in debating.

Gonna live my life I could storm in
and fly. Gonna break through the night
Tell you why

You turn me upside down
No way out from this nowhere town
I'm lost till I hit the ground.
And the sun comes round again

You turn me upside down
Uh Baby you numb the sound
I'm going crazy you still have found
that the sun comes round again

That the sun comes round again
That the sun comes round again
