Finally
You got what you wanted
Finally
You cut all your strings
And I hope that you will find
Yourself
Now I wish that one day
You can smile and life again

Finally
I have to start over
Finally
I let go your strings
And of course you need to find
Myself
Now I wish that one day
I can see your smile again

Refrain
I find it hard to carry on
When hope has come and gone
And gone away
Yes it's hard to carry on
When hope has come and gone
And gone away

Let be different you love again
Will you got to you
And try and try again
And I hope you give you more,
I could.
And if you doesn't really you will smile again

Refrain

I swore I sing no more love songs, for you
I swore I sing no more love songs, for you
I swore I sing no more love songs

I find it hard to carry one
When hope has gone and gone and gone and gone

And gone and gone away
Oh,yes it's hard to carry on
When all my hope has come and gone
And gone away

Oh,it's hard to carry on
It's hard to carry one
So hard to carry one
It's hard to carry on

It's hard to carry on
