Oooh

You remind me of a Guy that I was knew  
with a Gucci style and soleless Shoes  
take fly every night in a mile high crew  
for everything and nothing at all

man can you at night  
these cool kids keep you warm

Refrain:

Look me in the Eyes  
Secrets that you kept in Life now on fall  
before you rise  
it's just the weird reality  
playin with your mind

We have sold your soul for a taste of fame  
Your broken hearts have got their names  
take a life for real this much is true  
No regrets feelin' is right

And there's always someone else to blame  
another bear excuse

Refrain:

Look me in the Eyes  
Secrets that you kept in Life now on fall  
before you rise  
it's just the weird reality  
playin with your mind  
Secrets that you kept in Life now on fall  
Before you rise  
it's just the weird reality  
playin with your mind

Now you know whats been goin' on (goin' on)

Uuuhh

Now you know you ...

After all you have said and done (said and done)

Listen what I say

Look me in the Eyes  
Secrets that you kept in Life now on fall  
before you rise  
Oh Oh Oh

Refrain:  
Look me in the Eyes, yeah  
it's just the weird reality  
Look me in the Eyes  
Secrets that you kept in life now on fall befor your Eyes  
Secrets that you kept in life now on fall befor your Eyes  
with a Gucci Style and soleless Shoes
