Spread your wings
Can somebody help me?
Take this weight off my mind
Seen you suffer in silence,
Think I'm wasting your time.

Cause I just can't take this
Anymore, like before,
It's time, that you open up the door.

Refrain
Spread your wings and fly away
I'll be holding on
Once I rather felt to stay
Take this flight alone
And I'm praying you'll find a way home.

The mornings go colder,
Without you by my side
Cause I can't hardly recognize,
Through the lies
The smile, that you brought into my life.

Refrain

Don't be scared you'll never fall,
Dry your tears keep standing tall,
It's the only way to be
Holding on to this memories.

I'll be holding on,
Holding on to this memories.

Once I rather felt to stay
Take this flight alone.
And I'm praying you'll
Find a way home

You'll find a way home
You'll find a way home
You'll find a way home

You'll find a way home
