I don't know why I came here to tell you anyway
I got a feeling inside I'm gonna let you down
Cross down the phone, miss it then and I hope it never
end
Rollin' the fire and now that you left me on the side
You thought you're crying miss it now you're gone
And I don't really miss you girl
Since you mean I'm not the one
I was wrong!
Think I can't go on!

You are useless
Wasted
A messed up individual
You are useless
Tainted
A superficial animal of love.
Oh yeah

I changed my looks just for you, but it didn't work
anyway
I went to the gym 8-5 I even dyed my hair
If ten pounds less makes you love me more
Then tell me what do I mean to you?
I was just the boy next door
You are wrong!
Gonna miss me girl!

You are useless
Wasted
A messed up individual
You are useless
Tainted
A superficial animal
You are useless
Wasted
A messed up individual
You are useless
Tainted
A superficial animal of love

You're just a superficial animal

You are useless

Wasted

A messed up individual

You are useless

Tainted

A superficial animal

You are useless

Wasted

A messed up individual

You are useless

Tainted

A superficial animal

You are useless

Wasted

A messed up individual

You are useless

Tainted

A superficial animal of love

Oh yeah
