Hip hip hooray
You got what you wanted
A year and a day and my memory's still haunted by you
And it's such a shame you don't feel the same way
Everybody knows you go where the wind blows
Put a hole in my heart you could walk right through
Do what you gotta do

I don't sleep until the party is over
And then I spend my day in bed
But I can't shake this question from my head

Yeah I gotta know!
Are you happy?
Are you happy? Yeah I gotta know!
Are you happy now, now, now?
Are you happy now?

Hip hip hooray
Now I see it clearly
Anyone's a fool who would take words sincerely from
you
I try to smile, and you try to fake it
Now every word you said is stuck in my head
And I can't take it anymore
And you walk out the door

Now I don't sleep until the party's over
And then I spend my day in bed
But I can't shake this question from my head

Yeah I gotta know!

Are you happy?
Are you happy? Yeah I gotta know!
Are you happy now, now, now? Yeah I gotta know!
Are you happy? Yeah I gotta know!
Are you happy? Yeah I gotta know!
Are you happy now, now, now, now?

C'mon, c'mon, c'mon, c'mon
It's not about what's right or wrong

C'mon I'm trying to make you see
You can't talk to me
C'mom, c'mon, c'mon, c'mon
I don't care what side you're on
I turn around and you were gone
Why did you have to go?

Yeah I gotta know!
Are you happy now, now, now?
I hope to God you're happy!
Are you happy?
Are you happy?
Yeah I gotta know!
Are you happy now, now, now, now?

Yeah I gotta know that it's done
Know that you're gone
I'll take the blame for what went wrong
Forget the tears, forget the fights
Well I can't take these sleepless nights
But there's one thing you should know
I hope you're happy now
